Process to verify return using EVC
What is EvC?

- Electronic Verification Code or EVC is a code generated for the purpose of e-verification of the person furnishing the income tax return.
- EVC will be a unique number linked to assessee’s PAN.
- It cannot be used for filing ITR of any other PAN.
- One EVC can be used to validate one return, irrespective, of assessment year or type of return.
- EVC generated via Adhaar Card will be valid only for 10 minutes and in any other case, it will be valid for 72 hours.
- EVC is valid for AY 2015-2016 onwards.
Who can use EvC?

• All kinds of assessee’s can use EVC to validate ITR;

• *Except* in following cases, where verification of ITR is mandatory through class-II / class-III digital signatures:
  - Persons, whose accounts are required to be audited under Section 44AB
  - Companies
  - Political parties
Different Methods of e-verification of Income Tax return using EvC

Dear DEEPAK BHOLUSARIA, Your Aadhaar Number is linked to your PAN successfully.
Aadhar linking failure

**Authentication Failed**

Following could be the reasons for failure

1. Name, Date of Birth or Gender in PAN database does not match with Aadhaar database. To update your PAN details please contact NSDL at https://tin.tin.nsdl.com/pan/correction.html and to update your Aadhaar card details please contact UIDAI at https://resident.uidai.net.in/update-data.

2. Aadhaar Number that you have entered does not exist in Aadhaar database. Please enter a valid Aadhaar Number.
Generation of EvC from ITD portal (even if you do not have Aadhar)
If you do not have aadhar?

You have two options to generate your EvC:

1. Login to e-filing portal through net banking account and then generate EvC. This EvC will be valid for ITRs even if total income > 5 lac as well as in case of refunds.

2. Login directly to e-filing portal (non-net banking mode) and then generate EvC. However EvC obtained through this option will be valid for ITRs where Total Income <=5 Lacs and there is no refund
Login to ITD portal through Net banking
• Make sure that your bank offers facility to login to e-filing portal and your bank account is linked to your PAN

• After login through net banking, you may either verify your return directly (since by logging through net banking account, you have proved your identity to ITD) (See slide # 31); Or

• Generate EvC, to be used for e-verification immediately or within 72 hours of generation (See slide # 23~26 & 30).
